

The drawing is a technical illustration of a table. It consists of a rectangular top supported by four legs. The drawing is presented in a perspective view, showing the table from a three-quarter angle. The lines are clean and precise, typical of a technical drawing. The table has a simple, functional design. The drawing is enclosed in a rectangular frame.

## TABLETTE

The drawing is a technical illustration of a tablet. It consists of a rectangular top supported by four legs. The drawing is presented in a perspective view, showing the tablet from a three-quarter angle. The lines are clean and precise, typical of a technical drawing. The tablet has a simple, functional design. The drawing is enclosed in a rectangular frame.
