

# FIBERGLOW

GL18 | GL24 | GL30 | Gas log sets

Easily convert your old, inefficient wood fireplace into a functional, mess-free, and stress-free heating solution with the Napoleon Fiberglow™ gas log set. Installation is simple, requiring only a connection to an existing gas line, as this log set uses the masonry chimney for venting. High flames dance around realistic-looking logs, generating infrared heat that radiates cozy warmth throughout the room. The set includes cast iron andirons and grate, large charcoal embers, and lava rocks, creating the appearance of a well-loved fireplace. Complete your homey space without remodeling by installing the Napoleon Fiberglow™ gas log set.

## Features

- Solid cast iron andirons and grate
- Lava rocks and cinder included for realistic effect
- Exclusive PHAZER<sup>®</sup> log set
- Battery backup keeps your fireplace running during power outages—requires 4 AA batteries or a power bank (not included)
- Up to 65,000 BTUs
- Warranty: President's Limited Lifetime Warranty
- Available sizes (width): 18", 24", 30"

## Optional controls

### Optional remote

Enjoy added convenience with an optional remote—control every function of your fireplace, including power, flame height, and heat output, from the comfort of your couch.
