

# OLD ENGLISH®

## Furniture Polish

Old English® Furniture Polish, with Protective Shield Formula, goes beyond cleaning and dusting to help protect wood from everyday wear and tear\*

Old English® Furniture Polish is specially formulated to clean and help protect all light and dark wood surfaces throughout your facility including: Kitchen Cabinets, Wood Furniture and Wood Paneling. Use regularly for even better protection.

\*Helps protect from watermarks and stains

### Features & Benefits

- Cleans, dusts and shines to bring out wood's natural beauty
- Non-greasy, no residue build-up

\* When used as directed.

**OLD ENGLISH®**

**Furniture Polish**

#### Use Instructions

- Shake well before using. Hold can upright and spray 6 to 8 inches from surface.
- Wipe promptly with a soft clean cloth. Test first on an inconspicuous area. Avoid contact with carpeting, upholstery and other fabrics.
