

VINTNER'S RESERVE RIESLING

JACKSON ESTATE® • VINEYARD STEWARDSHIP

—MONTEREY COUNTY— | 2021

WINEMAKING PHILOSOPHY

For over three decades, Kendall-Jackson has remained relentlessly committed to producing only the finest quality wines from grapes grown in California's cool, coastal vineyards. We carefully match climates and soil types for each grape varietal, and then guide each vineyard lot throughout the entire winemaking process.

Our proprietary approach to winemaking has earned us our world-renowned reputation for wines that consistently exhibit our signature rich layers of flavor, combined with delicate balance.

KEY POINTS

- The Riesling comes from Monterey County where the growing season is long and cool, adding intricate layers of apricot, almond, and honeysuckle.
- Vineyard soils on the Northeast side of the valley are DCG, decomposed granite.
- Vineyard soils on the Southwest side of the valley are alluvial benchland over an ancient river bed.

TASTING NOTES

“Deliciously crisp with vibrant fruit aromas and subtle spice notes. Layers of apricot, peach and Anjou pear intermingle with bursts of aromatic jasmine delivering a delightful finish.”

- RANDY ULLOM, WINEMASTER

- FRITZ MEIER, WINEMAKER
