# Step 1

Let's get started! Connect the Left Arm (2) to the Chair Back (1) by sliding the hardware parts together until both pieces are firmly locked.

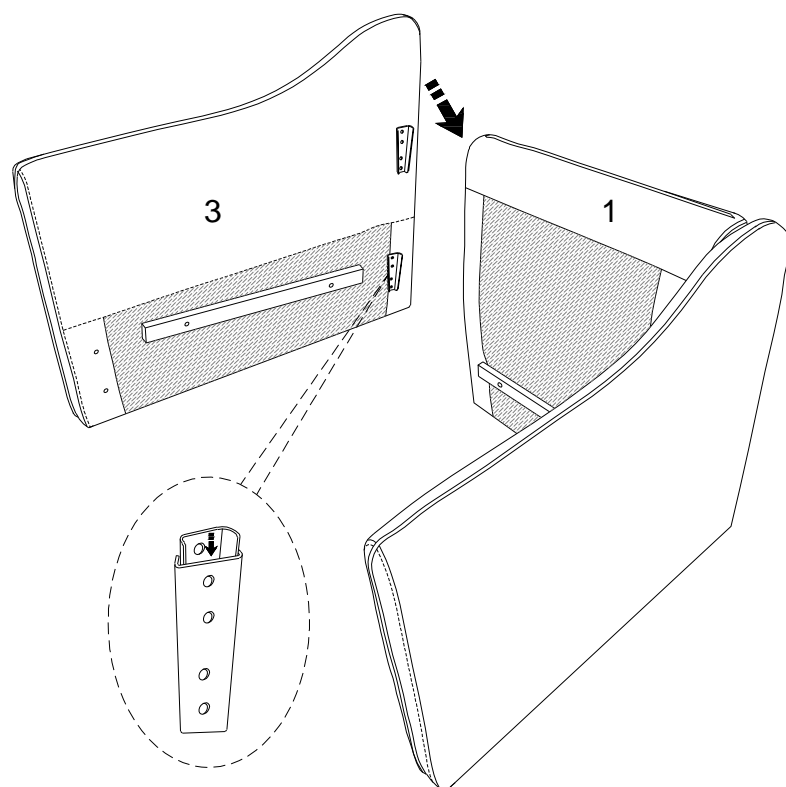

Tip

To keep your product looking its best and scratch-free, try assembling it on a soft surface like carpet or a blanket. This helps prevent any accidental scratches and keeps your furniture in top shape!

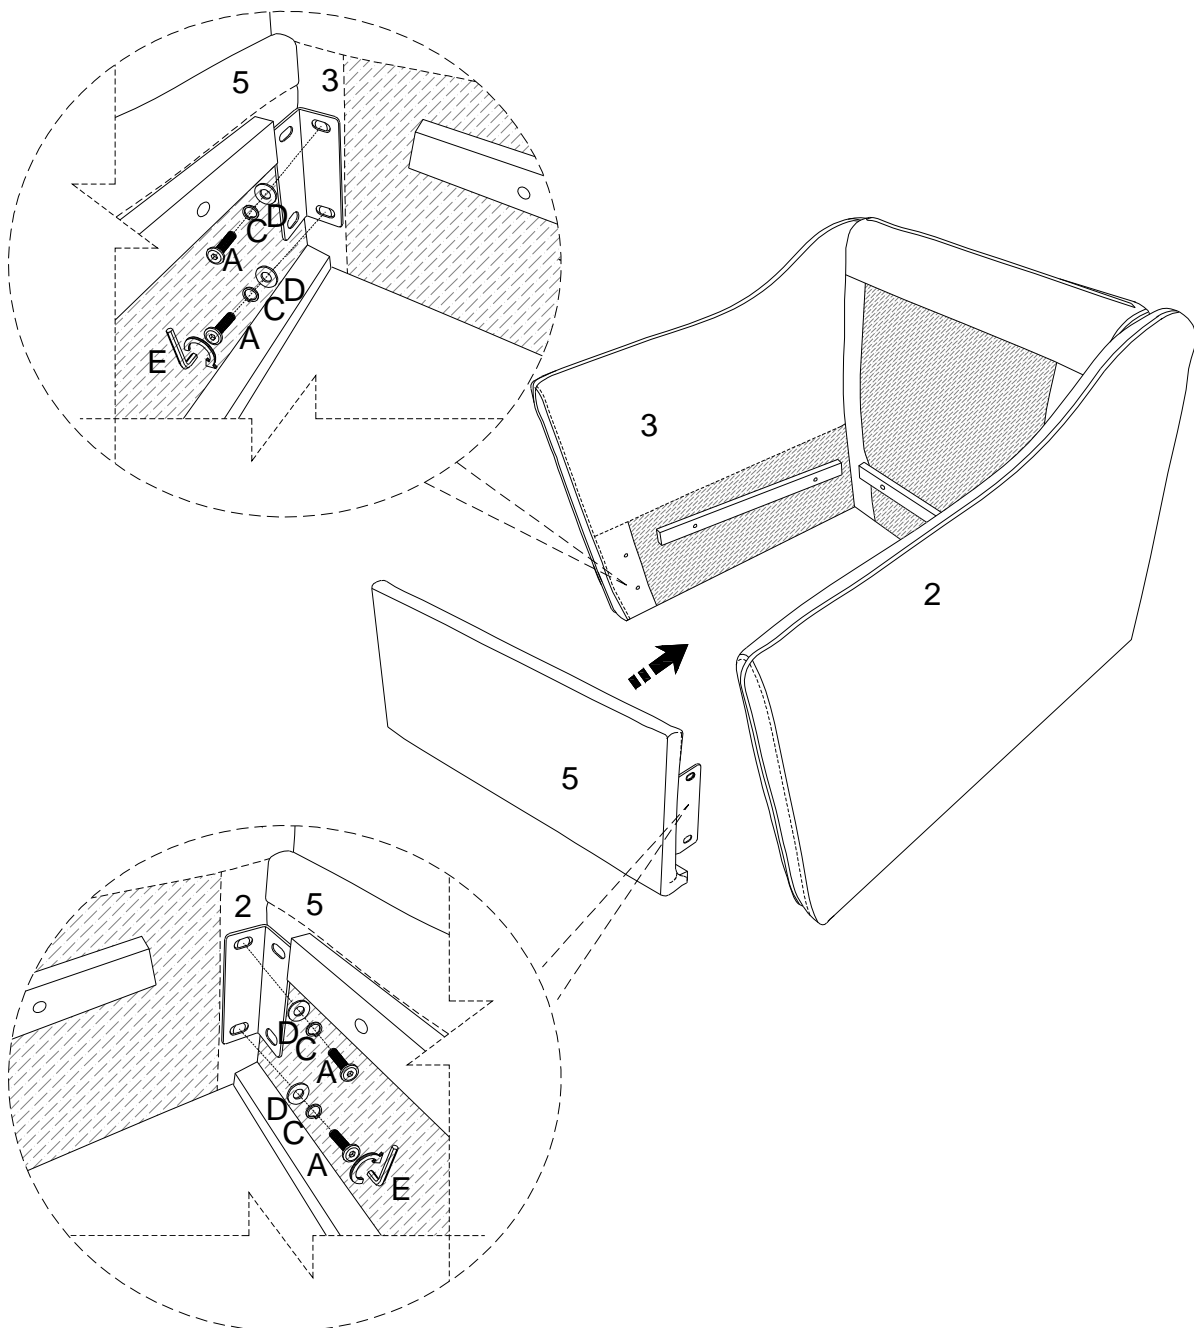

## Step 2

Repeat the previous step on the other side connecting the Right Arm (3) to the Chair Back (1).

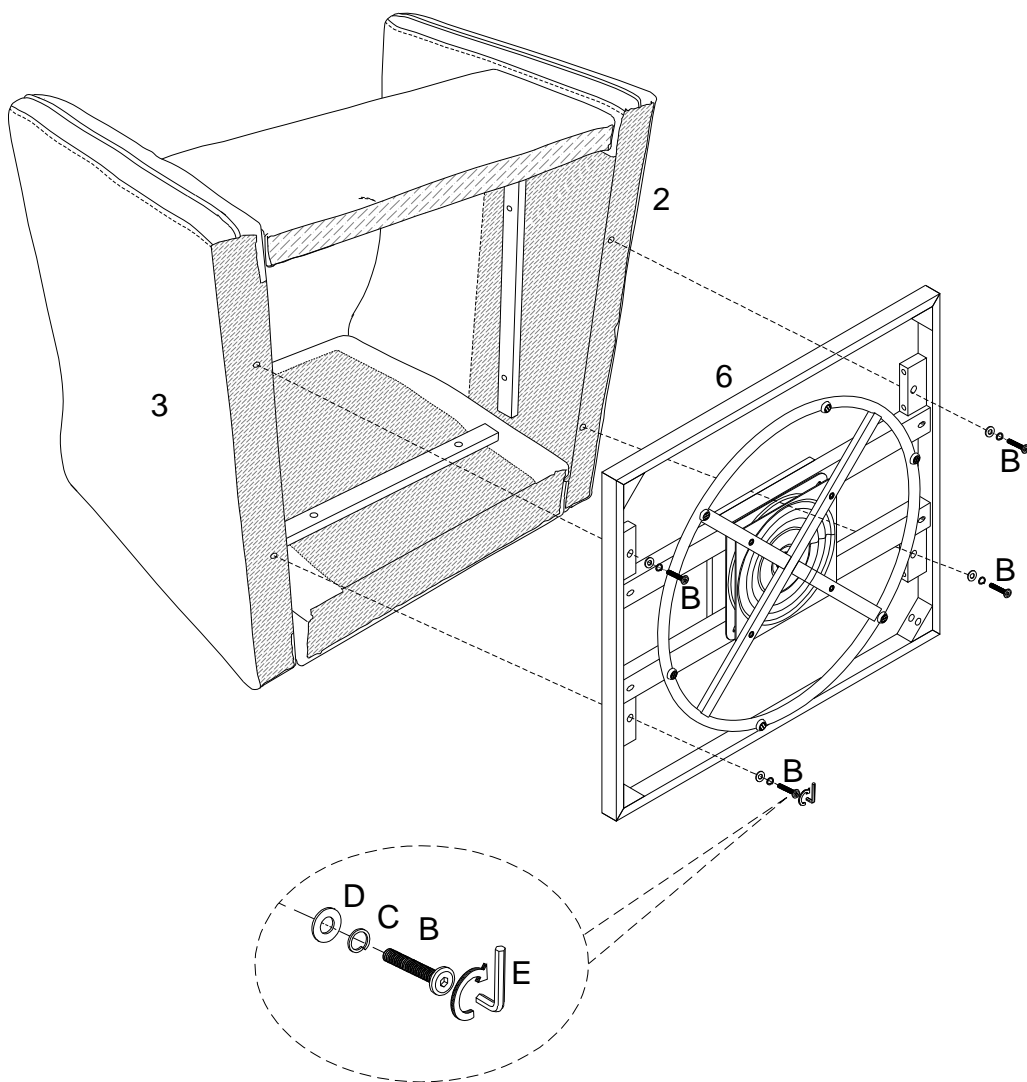

## Step 3

Attach the Chair Front (5) to the Left and Right Arms (2 & 3). Use the Flat Washer (D), Lock Washer (C), and Bolts (A) to secure it all together. Tighten everything up with the hex key (E)

## Step 4

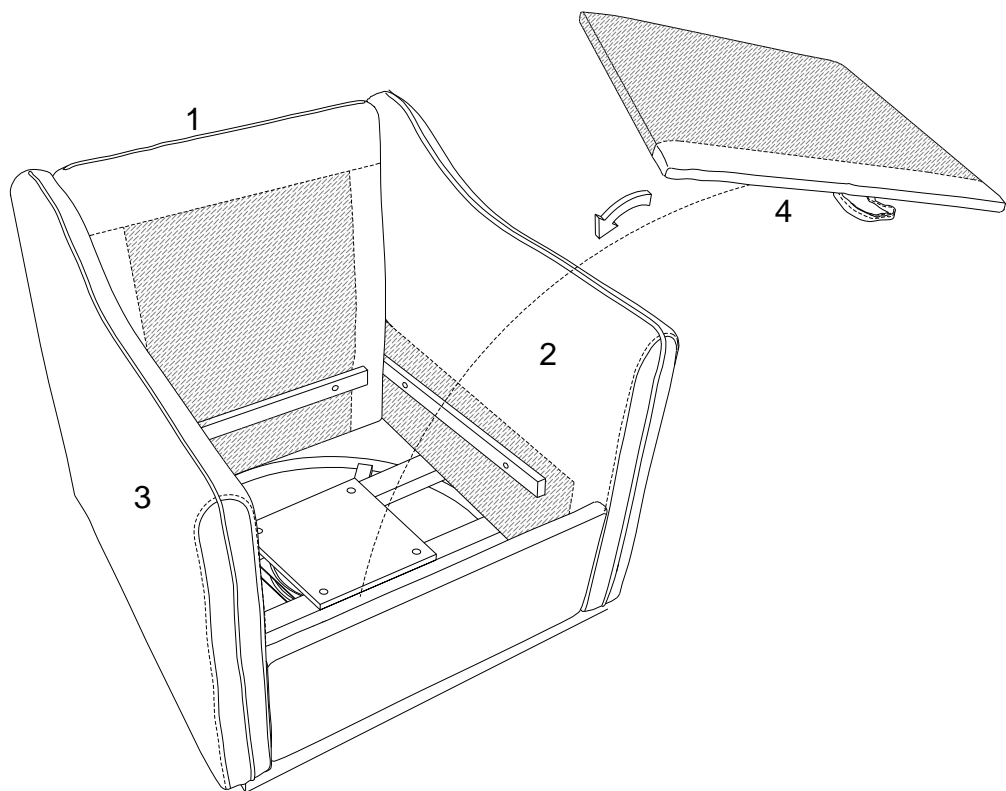

Lay the chair on its back and attach the Swivel Base (6) to the bottom using Flat washer (D), Lock washer (C) and Bolts (B). Grab your hex key (E) and tighten it up.

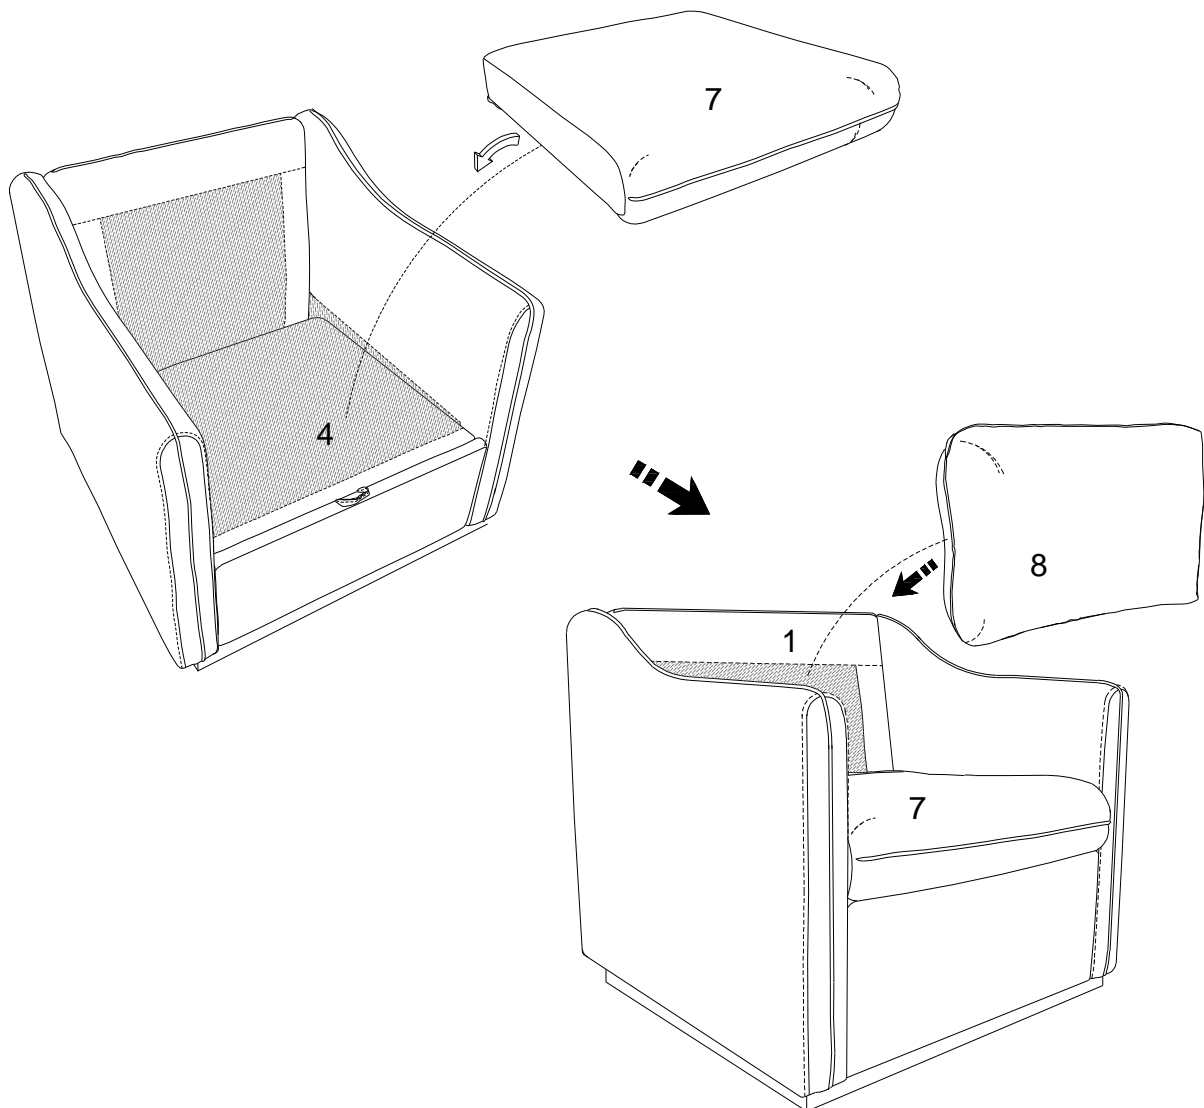

## Step 5

Stand the chair back up and gently place the Seat Base (4) into the frame. Almost there!

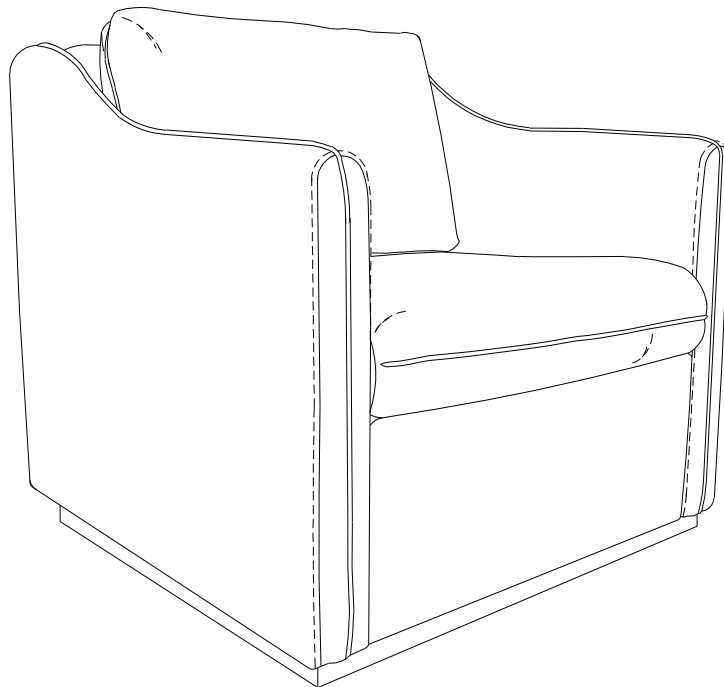

## Step 6

Lay the Seat Cushion (7) on top of the Seat Base (4), then add the Back Cushion (8).
