

LONG LIVE THE KING

Built for flexibility, stability,
and efficiency, the King Kombo™
is ready for anything.

WALL LEAN

ON STUDS

INSIDE CORNER

OUTSIDE CORNER

3-IN-1 JOBSITE POWERHOUSE

The original 3-in-1 ladder:
extension, leaning and
stepladder in one.

LEANING

STEPLADDER

EXTENSION

THE MOST AWARDED LADDER IN HISTORY

Trusted by pros across industries for its unmatched versatility, durability, and safety.

Scan to see it in action!

ONE MOVE. FULL CONTROL

The Grip-N-Go™ Hinge lets you switch ladder positions in one smooth motion with just one hand, built for quick changes and no excuses.

CORNERS. WALLS. NO PROBLEM.

Lean all you want—this time by design and with OSHA's blessing. The rotating wall pad grips corners, studs, and walls, giving you rock-solid stability.

BUILT FOR THE STUDS

Straight-line legs fit between studs and narrow framing with zero hassle. Designed for tight spots, where the real work happens.

HARD TO MISS. EASY TO SPOT.

Our Hi-Viz Green Fiberglass is science-backed and jobsite-tested. Engineered in the most visible color on the light spectrum to stay seen and prevent accidents before they happen.

PLANT IT. SWAP IT. KEEP MOVING.

Heavy-duty feet built to work hard and replace fast when they wear down. No downtime. Yank 'em, swap 'em, get back to it, right there on-site.

NON-CONDUCTIVE FIBERGLASS
