

The Brother P-touch PT-D410 Advanced Label Maker propels users to the next level of organization.

Versatile, Connected Label Maker

- Connect to a PC or Mac® and harness the power of P-touch Editor Software¹ to make advanced edits, or create custom labels with the intuitive, built-in features using the QWERTY keyboard.
- Finding yourself repeatedly printing the same label? Store up to 50 commonly used labels for quick access and reprinting.
- Designed to add even more flexibility to efficient organization solutions, it provides access to a wide selection of predesigned templates with 15 fonts, 13 font styles, 120 frames, and 700 symbols to choose from.
- Print text, frames, barcodes and more on label tapes that come in a variety of colours and finishes up to 18 mm (~3/4") wide.
