

Bath Mate™/MC

16

Acid-Free Disinfectant Washroom Cleaner Concentrate

Heavy-duty, non-acid washroom cleaner.

Features & Benefits

- Formulated with detergents and solvents that quickly remove soap scum, body oils and lotions
- Deodorizes with a fresh lingering scent that keeps restrooms smelling pleasant
- Non-acid cleaner that works great on heavy soils

Applications

- For daily washroom cleaning in hospitals, motels, hotels, nursing homes, business and industrial buildings, restaurants and food plants
- Use on most water washable restroom surfaces including glazed porcelain, glazed ceramic, sealed grout, stainless steel, Formica®, Plexiglas®, chrome, fiberglass sinks and shower stalls
- Apply with toilet bowl swab. For other hard surfaces use cloth, sponge, mop or spray applicator to wet surface

Bath Mate™/MC

Acid-Free Disinfectant Washroom Cleaner Concentrate

Use instructions

Cleaning Toilet Bowls and Urinals

- Flush toilet or urinal. Ensure water level is low.
- Apply cleaner solution to bowl swab. Swab under the rim and work down.
- Allow to dwell on product surfaces.
- Flush toilet or urinal. Rinse bowl swab.

Cleaning Sinks, Tubs and Other Hard Surfaces

- Apply with a cloth, sponge, mop or spray applicator to wet surfaces thoroughly.
- Agitate and rinse thoroughly.
