Continental CEFL50FH-1 Linear Electric Fireplace

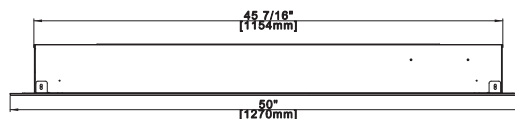

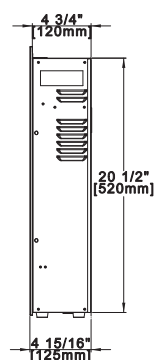

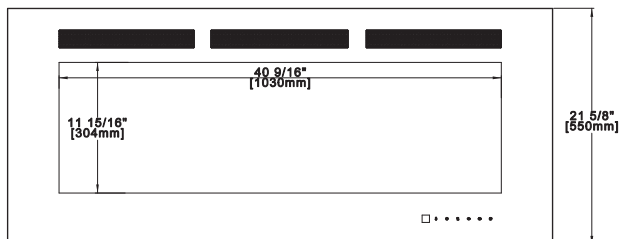

Continental's CEFL50FH-1 Linear Electric Fireplace can be fully recessed and is perfect for those wanting an aesthetically pleasing focal point in their room without the need for venting. The high-power LED lights make it one of the brightest electrics and can be used in day light or after dark. The CEFL50FH-1 features three different flame color settings to match or enhance any room in your home, a generous glass front and a clear glass ember bed to complement the crisp, clean design.

Competitive Advantages

- High Power LED lights are low maintenance and provide day or night intensity
- Ultra slim design
- Can be fully recessed into the wall for a flush appearance or easily hang on the wall with mounting bracket

Features and Benefits

- Simply plugs into a 120V wall outlet
- Features front vents within the sleek design
- Suitable for any room including bedrooms, sitting rooms and mobile homes
- Paintable cord cover included (covers cord and can be painted to blend in with existing décor)
- Crystal clear cube ember bed accents the flame
- Feature the option of both blue or orange flame, or a combination of both
- Convenient remote control (controls flame intensity, flame color option, blower, heat output and timer)
- Up to 5,000 BTU's
- Viewing area: 40 9/16"W x 12"H
- 1,500 Watts
