

Biomor^{TM/MC}

Odour Eliminator

Extra-concentrated, enzyme-producing, odor eliminator. Contains enzyme-producing bacteria and odor counteractants that combat the source of odors. Versatile and effective against a wide range of odors in carpets, washrooms, trash cans and more.

Features & Benefits

- Odor eliminator and cleaner that contains enzyme producing bacteria which counteracts and eliminates the source of odors
- Versatile formula can lighten grout over time giving it a cleaner look
- Pleasant fragrance effectively eliminate odors instead of just masking them

Applications

- Can be used in washrooms, on floors, counters, urinals, walls, carpets, shower and locker rooms, and drains to remove odors

**Biomor™/MC****Odour Eliminator**

Use instructions

DO NOT SPRAY INTO AIR OR USE AS AN AIR FRESHENER. REMOVE SOLID WASTE BEFORE APPLYING.

Use Biomor™ Odour Eliminator on all organic odors and stains.

Important: Do not use with hot water, bleach, disinfectants or chemical drain openers as these will reduce product performance.

General Deodorizing: Dilute 1:32 with water (4 ounces per gallon/ 120 mL per 3.78L). Apply to surface (spray or mop) until surface is wet. After 20 minutes, rinse. Repeat if needed.

Washroom: Dilute 1:20 with water (6 ounces per gallon/180 mL per 3.78L). Apply around urinals, toilets, on floors and in trash receptacles.

Plumbing Pipes: Drains, sinks, disposals, toilets. Pour 4 ounces (120 mL) of Biomor™ Odour Eliminator into drain pipes 2 times per week when drain flow is lowest.

Carpet Odors and Stains For spotting: Test carpet for colorfastness. Use Biomor™ Odour Eliminator full strength. Follow good spotting procedures. Re-apply Biomor™ Odour Eliminator. Let stand 20 minutes. Rinse.

General carpet cleaning: Dilute 1:64 with diluted cleaning solution (2 ounces per gallon/60 mL per 3.78L).

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate.
