

AHP[®] 5

Multi-Purpose Cleaner with Hydrogen Peroxide

Multi-purpose cleaner based on proprietary hydrogen peroxide technology (AHP[®]) to deliver fast and effective cleaning performance.

Features & Benefits

- Utilizes proprietary Accelerated Hydrogen Peroxide technology (AHP[®])
- Fast and effective cleaning for multiple surfaces
- Promotes high productivity cleaning
- Fragrance Free

Applications

- Multi-purpose cleaner for cleaning a wide variety of surfaces

AHP® 5

Multi-Purpose Cleaner with Hydrogen Peroxide

Use instructions

Heavy Duty Cleaning of Environmental Surfaces:

- Diluted 1:16 with warm or cool water. Apply diluted product to surface. Mop or wipe surface and allow to air dry, or rinse and wipe dry after 5 minutes. Heavily soiled areas may require scrubbing.

General Cleaning of Environmental Surfaces:

- Dilute 1:64 with warm or cool water. Apply diluted product to surface with mop or disposable wipe. Leave the surface to air dry or wipe dry after 5 minutes.

Light Duty Cleaning of Environmental Surfaces:

- Dilute 1:128 with warm or cool water. Apply diluted product to surface. Mop or wipe surface and allow to air dry.

Cleaning Synthetic Fabric and Carpet:

- Dry Vacuum surface. Test for color fastness in an inconspicuous area first. For pre-spotting, dilute at 1:32, apply and blot with absorbent material then rinse or extract.

For General Cleaning:

- Dilute at 1:256, apply and let sit for 5 minutes then rinse, extract and allow to air dry.

Note: When cleaning floors, position wet-floor signs around area to be cleaned. Floors will be slippery when wet or contaminated with foreign material. Promptly clean up spills and foreign materials.

Technical data	AHP® 5
Certifications	AHP
Color	Colorless liquid
pH	<0.7 (Concentrate)
Scent	No fragrance added
Shelf Life	2 Years

Product	Pack size	Dilution	Product code
AHP® 5	4 x 1 gallon / 3.78 L Containers	1:16, 1:32, 1:64, 1:128, 1:256	101104279 

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249.
