Broad-Spectrum Cleaner & No Rinse Sanitizer

A concentrated, no-rinse food contact sanitizer based on proprietary accelerated hydrogen peroxide (AHP®) technology.

Features & Benefits

- Superior broad-spectrum cleaner and no-rinse sanitizer
- Features the cleaning, sanitizing and oxidizing power of Accelerated Hydrogen Peroxide (AHP®)
- Leaves No Active Ingredient Residuals
- Environmentally Responsible

Applications

- Use to clean food contact surfaces and as a fruit & vegetable wash
- Acceptable for use in food preparation and food processing industries in Canada

Use Instructions

For Heavy Soil Removal

- Dilute 1:32
- Thoroughly wet surfaces and brush or scrub difficult soils if necessary
- Rinse thoroughly with potable water

Cleaning of Environmental Surfaces

- Dilute 1:128
- Apply to surface and use food approved brush, mop or cloth
- Rinse with potable water

No Rinse Sanitizing

- Dilute to 1: 128.
- Apply to surfaces that have already been cleaned and rinsed.
- Leave the surface wet for 30 seconds. Let dry.
- Make sure that the surfaces are well drained.

*90-day shelf life when stored in closed container in ambient environment.

Shell Egg Cleaning and Sanitizing

- Dilute 1:128
- Apply to the egg shell with food approved brush or cloth
- Allow to stand for 3 minutes
- Rinse thoroughly with potable water

Fruit and Vegetable Wash

- Dilute 1:1080
- Allow to soak for at least 3 minutes
- Rinse with potable water

No Rinse Sanitizing of Food Contact Environmental Surfaces, Equipment and Utensils such as counter tops, table tops, floors, walls, food processing equipment and utensils

- Dilute 1:128
- Apply to cleaned and rinsed surfaces
- Let dry
- Ensure surfaces drain adequately

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate.
