## MORE ROOM TO RELAX

### Simple solution

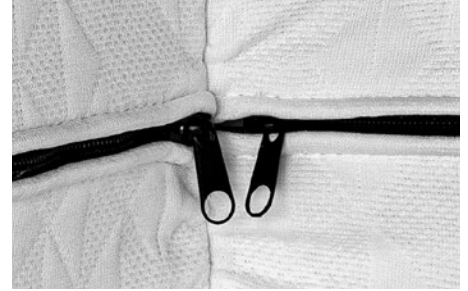

You don't need to buy a new mattress to get a good night's sleep in your RV. Simply extend your existing mattress by placing this RV bed extender between your mattress and headboard

### Premium comfort

Due to its polyurethane and synthetic fiber construction, this short queen bed extender is as plush and comfortable as your RV mattress

### Easy care

Cleaning this camper bed extender is easy. Simply unzip the cover, remove it from the mattress and hand wash to freshen it up between trips

### Convenient storage

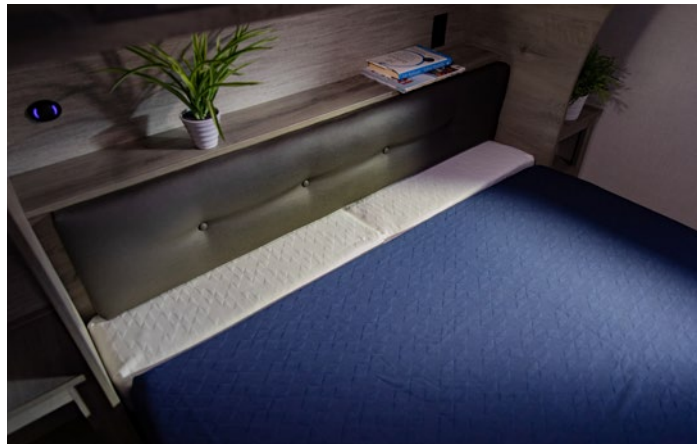

With an attached fabric hinge, you can fold this RV queen bed extender in half, so it takes up less space in your storage area

### Multiple sizes

To ensure you get the perfect extension length, we offer our short queen mattress extender in multiple different size configurations. Available in 6", 8" and 10"

### Additional Features

- Converts your short queen RV mattress to a full-size queen
