

Adjustable Pipe Support Brackets

A fast and easy way to support and secure pipes and stub outs during the rough-in phase of installation.

Compatible

- Designed to securely support stub outs and pipes up to 1"
- Jones Stephens PEX bends and drop-ear elbows can attach to bar
- Exterior pilot holes for securing clamps or fittings
- Can be used in various applications, including showers, toilets, lavatories and more

Adjustable

- Clamps glide across the bracket to meet the desired distance and securely lock water supplies into place
- Two sizes available; telescoping bracket extends from 9" to 16" and 14" to 26"

Reliable

- Brackets are constructed of durable 20-gauge galvanized steel
- Clamps are constructed of tough nylon and TPE
- IAPMO certified

Quick Zip Pipe Hangers

Neatly hangs and safely secures pipes and cables, including PVC/DWV, Copper, PEX and more.

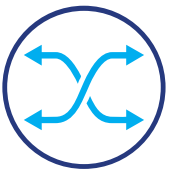

The Quick Zip Pipe Hanger neatly hangs and safely secures pipes and cables in residential and commercial applications. The strap adjusts for small and large diameter pipe and zips to neatly cinch the pipe.

Durable & Reliable

- Constructed of corrosion-resistant polypropylene
- IAPMO certified

Versatile

- Two sizes of hanger sticks available: 14" and 26"
- Hanger stick is easy to mount and can be cut off to create a shorter length for certain applications
- Hanger stick features embossed measurements for accurate placement
- Strap adjusts for small and large diameter pipe
