

Liquid Enzyme II Multi-purpose Cleaner and Deodorizer

See safety datasheet (if applicable) and product label for safety information, handling and proper use.

Directions for Use

Liquid Enzyme II is a live bacterial digestant that attacks solids such as grease, fats, and carbohydrates. It destroys malodors by eliminating the source.

1. Sink, shower, and bathtub drains: 4 oz weekly.
2. Garbage disposals: 2 oz weekly.
3. Odor control: Spray problem areas such as around toilets and urinals on a daily basis.
4. Carpet odor: Spray stained surface and place a wet towel over the area for one hour. Clean the area with Hillyard #910, Carpet Spotter.

A live, bacterial suspension that contains a minimum of 255 billion active bacteria per gallon that dissolve grease, fats, proteins, and carbohydrates. It is ideal for treating sink drains, wash basins, shower stalls, and refuse containers. Since Liquid Enzyme II digests grease and waste nature's way, there is no environmental harm. The bacteria simply die when their job is done and convert into carbon dioxide or water.

Features & Benefits

Digests grease and waste nature's way.

Contains a minimum of 255-billion active bacteria per gallon.

Non-acid, non-caustic and contains no solvents.

Item Number & Unit of Measure

Item Number	HIL0101404
Unit of Measure	32 fl oz Bottle

Specifications

Color	White
Appearance	Milky Emulsion
Fragrance	Floral / Mint
Formula Type	Liquid
Dilution Ratio	RTU
PH	7 - 8
