Plane

HINTS

**1**

The 4 wing shapes are a little different. Each one has a specific position.

**2**

One side of piece #30 has curved parts to match pieces #23 and #24. Please note when inserting in the plane.

**3**

Lock the tail by screwing the small pole piece #16 with the key enclosed. Lock the front by pressing piece #29 through the bottom of the wing piece #23.

**4**

Insert nose piece #40 to match the pin and hole shape.
