MOP & GLO® Triple Action™

Floor Shine Cleaner

Use instructions

- Do not shake bottle. Before applying Mop & Glo®, sweep or vacuum the floor.
- Squeeze out a small amount of Mop & Glo® directly onto floor.
- Immediately use a damp mop, sponge or rag to spread product evenly over a 3 foot x 4 foot area of the floor.
- Rinse mop to remove dirt, move to the next area of the floor and repeat the process. Your floor will dry normally to a beautiful, long lasting shine in 10-20 minutes.
- After floor is dry, apply additional coats if a higher gloss is desired.
