

Diversey

Bath Mate™/MC

Acid-Free
Washroom Cleaner
Concentrate

Heavy-duty, non-acid washroom cleaner.

Features

- Formulated with detergents and solvents that quickly remove soap scum, body oils and lotions
- Contains a strong, lingering fresh scent that keeps restrooms smelling fresh longer

Benefits

- Deodorizes as it cleans
- Cleans and deodorizes toilet bowls, urinals, sinks, tubs, floors and other hard surfaces

Applications

- For daily washroom cleaning in hospitals, motels, hotels, nursing homes, business and industrial buildings, restaurants and food plants.
 - Use on most water washable restroom surfaces including glazed porcelain, glazed ceramics, sealed grout, stainless steel, Formica®, Plexiglass®, chrome, fiberglass sinks and shower stalls
 - Apply with toilet bowl swab. For other hard surfaces use cloth, sponge, mop or spray applicator to wet surface.
-

Bath Mate™/MC

Acid-Free Washroom Cleaner Concentrate

Use Directions

Cleaning Toilet Bowls and Urinals

- Flush toilet or urinal. Ensure water level is low.
- Apply cleaner solution to bowl swab. Swab under the rim and work down.
- Allow to dwell on product surfaces.
- Flush toilet or urinal. Rinse bowl swab.

Cleaning Sinks, Tubs and Other Hard Surfaces

- Apply with a cloth, sponge, mop or spray applicator to wet surfaces thoroughly.
- Agitate and rinse thoroughly.

Safety Reminder

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use, and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDSs are available on-line at www.sealedair.com or by calling 888 352 2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up to date shipping information.
