

X-TREME BOX

HOW DO OUR TEMP POWER BOXES STACK-UP?

When there's a job to do...Southwire's X-Treme Boxes are built for working in extreme conditions! Take a look at how our X-Treme Boxes stack up to the competition inside and out!

BUSBAR

A

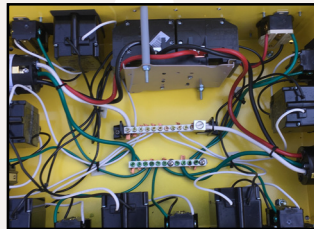

B

Image A is a Southwire Box. A lot larger Busbar.
Image B is competitor, a lot smaller.

WIRING

A

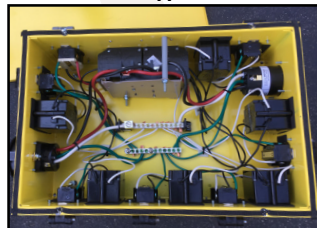

B

Image A is a Southwire Box. Everything is zip tied and tied down.
Image B is competitor, some are zip tied but nothing is tied down. Messy appearance.

NEMA 3R

A

B

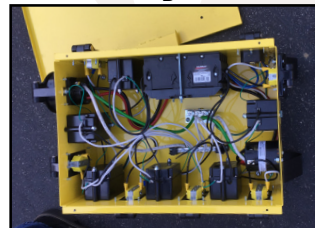

Image A is a Southwire Box. Weather strip around perimeter of box. Also noted NEMA 3R on top of our box.

Image B is competitor, no weather strip, metal lid on metal box. Nothing noted on top of box other than competitor logo.

BUILT FOR DURABILITY.
BUILT FOR RELIABILITY.
