**INVACARE® 820 DLX  
DLX SERIES BED**

**Yes, you can.®**

The Invacare® **DLX Series 820DLX Bed** is the workhorse of long-term care, designed to offer proven, dependable performance at an affordable price. This durable bed includes features such as an expandable length deck, removable bed-end brackets and a built-in hand crank so the bed can be raised or lowered even during a power outage.

Invacare beds, mattresses and rails, excluding therapeutic support surfaces and bariatric beds, when used as a system and sold new and unused after August 1, 2007, meet the voluntary FDA Guidelines for bed rail entrapment. Visit [www.invacare.com/bedsafety](http://www.invacare.com/bedsafety) for additional safety and entrapment information.

## Features

**Mobility at Low Height** - The 820DLX bed is secured to the floor in all elevated positions, providing reassurance that the bed is stationary and will not roll for maximum resident safety.

**Durable Grid Deck** - Designed to provide a supportive and comfortable sleep surface for the resident.

**Ergonomic Hand Pendant** - Waterproof and rugged hand pendant design fits comfortably in the resident's hand.

**Dual Pendant Connections** - Pendant connects to either side of the bed, providing customized convenience for the resident. Pendant cords are attached to the frame, and will not interfere with lifts or tables.

**Expandable Length** - Length expands from 76" to 80" with adjustable bed-end brackets.

**Emergency Override** - The 8203M-DLX bed features a built-in hand crank in case of a power outage. Invacare® DLX Series beds are made in the USA.

1. Optional Pan Deck
2. Adjustable Mattress Deck
3. Optional 6-Function Ergonomic Hand Pendant
