Connoisseur Series Dual Zone Wine Cooler

Vinotemp's Connoisseur Series Dual Zone Wine Cooler is a must-have for the avid wine collector. With two independent temperature zones, this unit is perfect for storing both red and white wines at their optimum temperatures. Specially designed racking has secure-hold grooves that ensure each bottle stays securely in place. A centrally located digital control panel allows you to monitor and adjust the temperature of this cooler. An insulated glass door with seamless stainless steel trim is accented by a Pro Style handle, giving this large capacity wine cooler a touch of luxury. This unit has front venting which allows it to be either installed built-in or freestanding. Store larger sized Champagne and Magnum bottles in the areas designated for bulk storage.
