Disinfectant Cleaner

Heavy-duty alkaline, quaternary-based cleaner disinfectant that cuts through tough soils, disinfects and deodorizes in one easy step.

Features & Benefits

- Highly effective against a broad spectrum of pathogenic microorganisms including bacteria, antibiotic resistant bacteria, viruses, fungi, mold and mildew
- Bactericidal, virucidal and fungicidal
- Kills MRSA and VRE. Cleans quickly by removing dirt, grime, body oils and other common soils
- Meets bloodborne pathogen standards for decontaminating blood and body fluids. Designed for use on many hard, nonporous surfaces

Applications

- Use in health care, education, lodging and commercial facilities

Triad^{TM/MC} III

Disinfectant Cleaner

Use instructions

To Prepare Use Solution

- Add the product at 2 oz. per gallon of water (1:64).

For Use as a One-Step Cleaner/Disinfectant

- Pre-clean heavily soiled areas.
- Apply use solution to hard, nonporous environmental surfaces, making sure to wet surfaces thoroughly.
- All surfaces must remain wet for 10 minutes.
- Air Dry, wipe surfaces to dry and remove any residue, or rinse with potable water as necessary.

EPA Reg. No.	70627-15
Color	Clear, green liquid
pH	13.1 (Concentrate) 11.0 (Use Dilution 1:64)
Scent	Minty
Shelf Life	3 Years

Product	Pack size	Dilution	Product code
Triad ^{TM/MC} III	2 x 2.5 L / 84.5 oz. J-Fill [®] Bottles	1:64	3164406 
Triad ^{TM/MC} III	1 x 5 L / 1.32 gallon RTD [®] Unit	1:64	101104969 
Triad ^{TM/MC} III	12 x 32 oz. / 946 mL Empty Bottles		D03917 

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate.
