

MP1055WWSS SURGE PROTECTOR MULTI-PACK SOLUTION

Save your devices and money with
a four-pack of surge protectors.

The CyberPower Surge Protector MP1055SSWW combo pack comes with two six-outlet wall tap surge protectors and two seven-outlet surge protector strips. The wall tap features outlets that swivel 90 degrees left or right to make it easy to manage cords – great for tight spaces. All four offer protection to prevent damaging power spikes and surges from reaching your small electronics. Each include two 2.4-Amp USB ports to quickly charge USB-powered devices, including tablets.

Additional features include surge protection LED indicators on wall tap, impact-resistant casing and keyhole slots for easy mounting (strips only). Each surge protector comes with a Limited Lifetime Warranty and a \$75,000 Connected Equipment Guarantee.

TYPICAL APPLICATIONS

- Desktop Computers
- Personal Electronics
- Routers & Modems
