

Acifoam^{TM/MC} LP

VF10L

Acidic Foam Cleaner-Descaler

Description

Acifoam LP cleaner is based on inorganic acid and a blend of high foaming wetting agents/emulsifiers. It is specially formulated for the removal of water hardness scale and other mineral deposits from food processing equipment.

Effective

- Removes scale
- Foam application extends contact time with vertical surfaces

Versatile

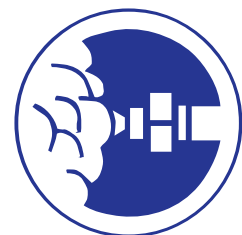

- Suitable for use on aluminum

Easy-to-Use

- Free-rinsing

Discussion

Acifoam LP cleaner is recommended for the periodic cleaning and descaling of food processing equipment. It is also effective for daily application to break down protein deposits. This product is suitable for use with a wide range of foam application equipment.

Acifoam^{TM/MC} LP

VF10L

Acidic Foam Cleaner-Descaler

Use Instructions

Use at concentrations between 32–48 mL/L (4–6 U.S. fl. oz. / U.S. gal.) depending on the type and degree of soiling.

Foam Cleaning

1. Rinse surfaces thoroughly to remove loose soil particles.
2. Apply foam using a solution at 32–48 mL/L (4–6 U.S. fl. oz. / U.S. gal.) starting at the bottom and moving to the top.
3. Let foam stand approximately 10 minutes. Do not let the foam dry on the surfaces.
4. Rinse thoroughly with potable water.
5. If desired, sanitize with the appropriate Diversey sanitizer. Rinse if required.

Spray Cleaning

1. Rinse surfaces thoroughly to remove loose soil particles.
2. Spray surfaces using a solution at 32–48 mL/L (4–6 U.S. fl. oz. / U.S. gal.) starting at the bottom and moving to the top.
3. Rinse thoroughly with potable water.
4. If desired, sanitize with the appropriate Diversey sanitizer. Rinse if required.

Contact your Diversey representative for specific use instructions.

Technical data

Certification	Acceptable for use in food processing facilities
Form/Color	Clear, red liquid
Scent	Acidic
Specific Gravity	1.19
pH (1%)	1.7
% P	8.47
Alkyl Phenol Ethoxylates	None
% Total Acidity (H ₃ PO ₄)	29

The above data is typical of normal production and should not be taken as a specification.

Safe handling and storage information

Store in original closed containers, away from extreme temperatures. Full guidance on the handling and disposal of this product is provided in a separate Safety Data Sheet.

Product compatibility

Acifoam LP cleaner is suitable for use on materials commonly found in the food and beverage industry when applied at the recommended concentration and temperature. Always rinse surfaces thoroughly after use (within one hour). In the event of uncertainty it is advisable to evaluate individual materials before any prolonged use.

Test Kit

Acid Test Kit #409724

Precautionary Statement

Refer to current Safety Data Sheet.
