

Custom Care 3 Stage Bath Center

BH087WHO1
White

- Modular 3-position baby bath solution matches your child's physical and developmental needs
- Newborn Position: provides physical closeness & eye contact to create bonding moments during bath time; Brings baby closer, causing less stress to back and knees
- Reclined Infant Support: Keeps a wobbly baby stable and secure; Positions baby at a slight recline for easy access cleaning while providing optimal head & back support
- Toddler Tub: Deep ergonomic design offers freedom and mobility while bathing; Contoured backrest and seat for support in sitting unassisted
- A bathing system that provides custom support and comfort at every stage of growth
