

Ideal choice for combating hard-to-hide odors in restaurants, hotels, motels, hospitals, nursing homes, restrooms, kitchens, schools and veterinary clinics. It can be safely used on any washable, nonporous surface including floors, toilets, sinks, garbage containers, ashtrays, animal cages and kennels. Especially effective for suppressing odors from pets, urine, fecal matter, food and cooking odors, smoke, vomit, body odors and mildew.

Features & Benefits

Water-soluble deodorant effective at combatting hard-to-hide odors.

Safe for use on carpet.

Concentrated for economical use.

Item Number & Unit of Measure

Item Number	HIL0018604
Unit of Measure	32 fl oz Bottle

Specifications

Color	Yellow
Appearance	Clear
Fragrance	Lemon
Formula Type	Liquid
Dilution Ratio	1:256 - 1:10
PH	6.00 - 7.00
Non-Volatile Matter	1.50 - 2.50%

Safety

See safety datasheet (if applicable) and product label for safety information, handling and proper use.

Directions for Use

Carpet Cleaners: Mix ½ ounce per gallon of carpet cleaning solution. Cigarette Urns: Mix 2-4 ounces per gallon of water. Allow urns to air dry before reuse. Normal Deodorizing: Mix ½ ounce per gallon of water. Apply with pump-up or trigger sprayer. Fogging: For light odor problems, use 1 part to 3 parts water. For more severe odors (heavy fire damage or urine), use 1 part to 1 part water. Close up area for 12 hours, then ventilate thoroughly. Garbage Containers, Compactors And Dumpsters: Use 12 ounces per gallon of water. Spray daily to suppress objectionable odors. Hand Spraying: Mix 4-6 ounces per gallon of water. Hospitals: Use on bedpans, in restrooms, offices, diaper and bandage collection containers, garbage compactors, etc., as indicated in specific areas. Hotels/Motels: Use in guest rooms, kitchens, restrooms, or offices as indicated in specific areas. Kennels: Remove animals from area. Mix 2-4 ounces per gallon of water. Mop or spray surfaces to be cleaned. Allow to air dry before returning animals. Light Cleaning: Mix 1-2 ounces per gallon of water. Spray on surface; wipe dry with sponge, cloth, or paper towel. Restrooms: Mix 4-6 ounces per gallon of water in hand sprayer. Spray toilet bowls, seats, urinals, lavatories, tubs, and showers. Rinse Water: Mix ½ ounce per gallon of water. Schools: Use in classrooms, restrooms, locker rooms, or offices as indicated in specific areas. NOTICE: Do not mix with disinfectant/cleaners or sanitizers. Do not use on oriental rugs or water-sensitive upholstery.
