3M™ Screen Print UV Gloss Clear 9760LX

Moving into the future.

It's here — a high-performance, UV-curable liquid clear coat designed for latex printed graphics.

The high-performance of 3M™ Screen Print UV Gloss Clear 9760LX is ideal for long-lasting outdoor graphics. It provides a tough, chemical-, abrasion- and weather-resistant coating on flat, corrugated and/or riveted applications. Designed for use on HP Generation III latex inks, it's the graphic protection solution you've been waiting for.

Get moving today at 3M.com/graphics.

A UV-cured clear coat for latex printed graphics.
