SHOE SHOO PIGEONS INSTRUCTIONS

Contents:

- Neighborhood with Telephone Poles
- Pigeons
- Shoes in Four Colors
- Stick

Object of the Game: Be the first player to successfully knock off all of your color Shoes.

Set Up:

1. Each player picks a color and takes turns hanging their shoes on the wires one at a time until all players' shoes are placed.
2. Carefully place a pigeon on top of each telephone pole.

How to Play:

1. The youngest player begins the game by taking the Stick and using it to stretch down and release the wires, hopefully causing Shoes to fly off.
2. That player collects any Shoes of that player's color that fly off the wires. If a player accidentally knocks off any other players' Shoes, those players collect their matching Shoes as well.
3. If a player causes a Pigeon to fall off a pole on during the player's turn, that player must return all of the Shoes that player has collected to the wires.
4. Play continues clockwise with players stretching down wires with the Stick and collecting matching Shoes of their color as Shoes fly off the wires.

Winning the Game: The game ends when one player has successfully collected all Shoes of that player's color. That player is the winner!
