

Colorful Windmill Garden Stake

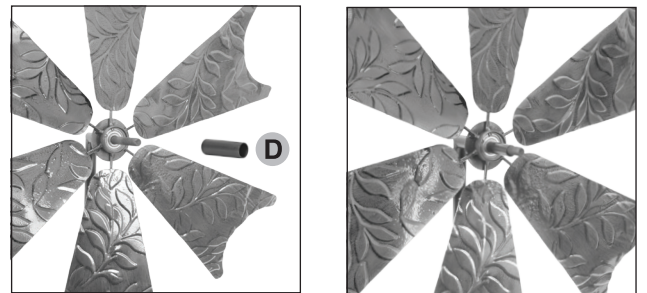

Assembly Instructions

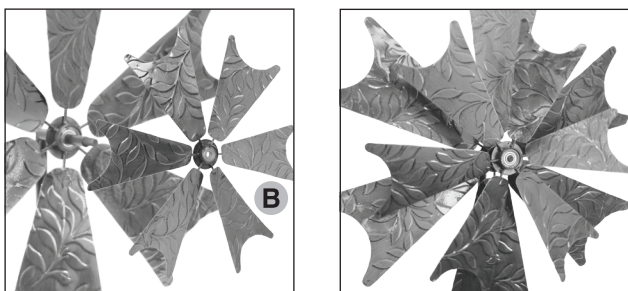

Step 1: Attach large wheel (A) to top pole (E) by inserting large wheel (A) into top pole (E).

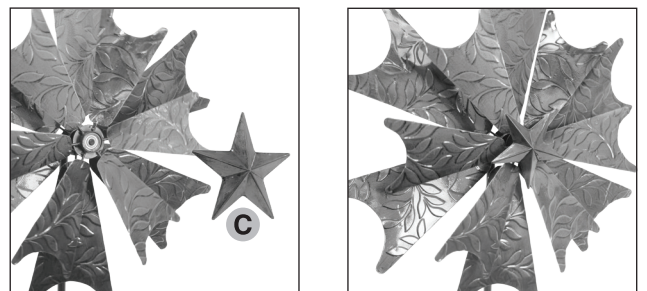

Step 2: Attach barrel (D) to top pole (E) (the result of step 1) by inserting barrel (D) into top pole (E).

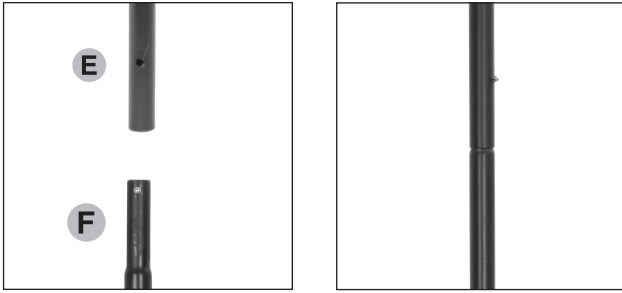

Step 3: Attach small wheel (B) to top pole (E) (the result of step 2) by inserting small wheel (B) into top pole (E).

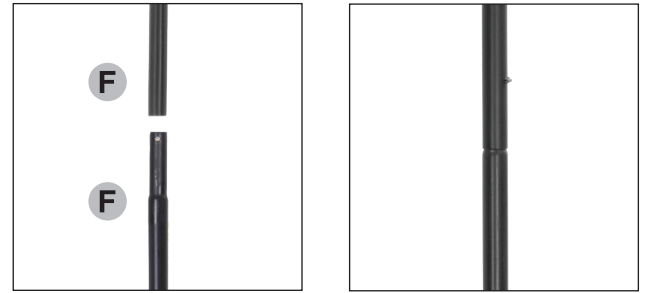

Step 4: Attach star (C) to top pole (E) (the result of step 3) by turning it to the right until it is firmly tightened.

Step 5: Attach top pole (E) to middle pole (F) by aligning the button on middle pole (F) with the hole on top pole (E) until it clicks into place.

Step 6: Attach middle pole (F) to middle pole (F) by aligning the button on middle pole (F) with the hole on middle pole (F) until it clicks into place.

Lay Assembly on the ground for the following steps.

Slide the stake support (G) into the stake base (H) by pushing the button on stake base (H) in. Then insert stake base (H) into the bottom of the middle pole (F) by aligning the button on stake base (H) with the hole on middle pole (F) until it clicks into place. When everything is assembled, insert stake base firmly into the ground. For best results, install on flat ground and ensure that the stake is 90 degrees vertical to the ground.
