

Answer
10/10

1. A rectangular box is shown with a vertical line on the right side. The box is divided into two sections by a vertical line. The left section is shaded gray. The right section is white. The vertical line is labeled '1' at the top and '2' at the bottom. The box is labeled '3' on the left side and '4' on the right side. The top and bottom edges are labeled '5' and '6' respectively.
