# Adjustable Mesh Stool with Fabric Seat

ofm

## Contoured Mesh Back

The mesh back design provides air circulation

## Waterfall Edge

The seat features a waterfall edge that reduces leg pressure

## Lumbar Support

Integrated lumbar support for all-day back comfort

Packed with sophistication and comfort, the OFM Core Collection Mid Back Mesh Drafting Chair, with Lumbar Support, features a stylishly ventilated designed mesh back that provides air circulation, keeping you cool all day.

- The metal footring provides a resting spot, and support, for your feet
- The chair arms are flip up and height-adjustable for maximum functionality
- The chair holds users up to 275 lb in weight
