

# Endust®

## Stainless Steel Cleaner

Endust® Stainless Steel Cleaner is designed to quickly clean away dust, dirt, fingerprints and water spots from stainless steel. The non-abrasive formula will provide a protective streak-free shine with minimal rub-out. Works great on kitchen appliances, sinks, faucets, countertops, grills and more!

### Features & Benefits

- Cleans, shines and protects
- Cleans with no streaks or buildup
- Ideal for stainless steel, chrome and aluminum surfaces
- Resists fingerprints and provides cover-up for blemishes
- Continuous action aerosol sprays from any angle, easily reaching even the toughest areas
- Formulated with mineral oil to lock dust and dirt to the cleaning media so nothing escapes when cleaning

**Stainless Steel Cleaner**

#### Use Directions

Shake well before using. Hold can upright and spray 6" from the surface. Wipe immediately in the direction of the surface grain with a soft, clean cloth.

If the finish is unknown, first try on an inconspicuous area to test the results. Do not use on food contact surfaces or natural stone.

Color/Form	Aerosol
pH	Not applicable
Scent	Characteristic
Shelf Life	5 years

Product	Pack size	Dilution	Product code
Endust® Stainless Steel Cleaner	6 x 12.5 oz./ 354 g Aerosol	Ready-to-Use	CB508809 

#### Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at [www.diversey.com](http://www.diversey.com) or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate.
