

Slide Topper Prep Program

SOLERA: SLIDE TOPPER PREP PROGRAM

LCI® is driving more business to your dealership with the new exclusive Solera Slide Topper Prep Program! Starting in 2019, LCI® will be preinstalling Solera Slide Topper Prepped Access Plates to several of the most popular RV brands on the market. These coaches will arrive on dealer lots ready to accept the Solera Slide Topper Access Kit (sold separately). Installation of Solera Slide Toppers has never been so easy. Most importantly, the Prepped Access Plates will get customers asking about Slide Toppers, which will inevitably add more to the bottom line of any dealership's parts and accessories business!

SLIDE TOPPER PREP KIT FEATURES

- Prepped Access Plate makes Slide Topper installation quick and easy; dramatically cuts down installation time
- Access Brackets allow for adjustable Slide Topper heights
- Compatible only with Solera brand Slide Toppers by Lippert Components
- White and black color options
- Made in the USA
- Patent Pending

KIT CONTENTS

- (2) Solera Slide Topper Access Plates
- (2) Solera Slide Topper Access Brackets
- Installation Hardware

BENEFITS OF SLIDE TOPPERS

- Designed to fit rooms from 56" to 188" in length
- Slide Toppers help keep the inside of the coach free of leaves, dirt and debris
- Slide Toppers add an aesthetic look to any RV
