

CRC Industries NZ, Auckland NZ

I. Product Description

CRC Liquid Cut & Polish rejuvenates dull or faded paintwork, restoring it to a deep rich gloss and shine. Micro fine abrasives are combined with premium carnauba wax and silicones to safely & easily remove surface imperfections such as scuffs, light scratches, swirl marks, oxidation, stains and paint defects on all paint surfaces. No hard rubbing is required

Paintwork in poor or heavily weathered condition will be revitalised, leaving a long lasting and durable shine that protects the surface of your car. If your paintwork is already in reasonable condition, use *CRC Polish & Wax*.

Do not apply to vinyl, glass or rubber trim or metallic paint with no clear coat.

II. Features & Benefits

- Rejuvenates and revitalises dull & faded paintwork
- Restores gloss and durable shine.
- Quickly & safely removes surface imperfections – Scuffs, light scratches, swirl marks, oxidation, stains and paint defects
- Contains premium Carnauba wax - Provides long lasting surface protection
- Safe to use on all auto paint surfaces including clear coats
- No hard rubbing required
- Easy to use
- Made in NZ

III. Application and Directions

Preparation:

- Wash vehicle with *CRC Ultra Gloss* and allow to dry.
- Shake bottle well before use.

Application:

- Apply a small amount of product onto a soft open weave cloth.
- Apply to a small section of the car at a time using a continuous circular motion.
- Allow to dry to a hazy finish.
- Remove with a clean, dry cloth, a section at a time.

Handy Hints: Avoid polishing in direct sunlight. The more pressure applied to the cloth the stronger the polishing power. DO NOT apply to vinyl, glass or rubber trim or metallic paint with no clear coat.
