

A quality gloss restorer formulated to deliver a deep gloss and extend the life of your floor finish. It protects your base coat and keeps traffic lanes, heel marks, and scuffing to a minimum while restoring gloss to maximum levels. Restorer resists powdering caused by the heat and friction generated with ultra high-speed burnishers, plus its durable formula helps extend the time between refinishing to save time and money.

Features & Benefits

Environmentally preferred zinc-free formula.

Easy to use with any system.

Extends the life of your floor finish.

Directions for Use

For use with the Hillyard Arsenal One dispensing systems. Remove shipping cap and insert this container into the dispensing system. Secure the dispensing system cap to refill container. Dispense product by selecting the product on the dispenser control panel and press the button to dispense product into bottle. For bucket fill, attach bucket fill hose BEFORE dispensing product. Automatic scrubber: Dilute Restorer to 4 oz per gallon, with cool water, in the solution tank of the automatic scrubber. Autoscrub all assigned flooring using overlapping passes while dispensing, agitating, and picking up the solution. Pick up any squeegee trails or puddles with a damp mop. Allow the floor to dry and then burnish using directions below. NOTE: Do not allow Restorer solution to remain in the automatic scrubber tank. Drain and rinse.
