

PH	1% 11.8 - 12.6
Non-Volatile Matter	NA

Safety

See safety datasheet (if applicable) and product label for safety information, handling and proper use.

Dish Detergent is a balanced warewashing detergent designed for institutional dishwashers. The alkalinity booster in Dish Detergent provides good detergency to emulsify grease and food soils. Special water conditioning and soil suspending agents prevent mineral and soil deposits on the dishware and in the machine. Chlorinating agents remove coffee, tea, and food stains. Dish Detergent has proven to be very effective and economical machine warewashing detergent in difficult warewashing conditions.

Features & Benefits

Heavy Duty Formula.

Chlorinated for stain removal.

Water conditions.

Item Number & Unit of Measure

Item Number	HIL0120106
Unit of Measure	1 gal Bottle

Specifications

Color	Light Yellow
Dye Free	Yes
Appearance	Clear liquid
Fragrance	Slight Chlorine
Formula Type	Liquid
Requires Dispenser	Yes
Dilution Ratio	4.5 TO 8.5 ML/GAL
