Gel Crayons

Instructions

Try using these on canvas for a prestigious piece of art!

Neon Gel Crayons are soft and buttery crayons with vibrant colors. Use on paper, chipboard, wood, and textured surfaces like watercolor paper or canvas.

### **Important Information about the Gel Crayons!**

The gel crayons included are non-toxic, though they may stain porous surfaces or textiles so be careful!

Cover your work surface and wear a smock or old clothes. The non-toxic pigment may rub onto clothing or skin.

Wash off with soap and water.

Make a wash with a brush, water and watercolor paper. When it dries, just draw on top.

Overlap colors to create new colors and fun effects.
