

CLAX[®] Hypo conc

Bleach - low temp - hypochlorite

Laundry destainer is specifically formulated for use in commercial, healthcare and on-premise laundries. The product should be used for white and colorfast colored fabrics.

Features & Benefits

- Excellent destainer for a wide range of oxidizable stains on white cotton and poly-cotton fabric
- Effective bleaching in all water temperatures under 155°F (68°C)
- Enables energy savings by bleaching at lower temperatures
- Easy to dose
- Provides good hygiene

Applications

- Designed for use on white or colorfast fabrics
- Can be used in all commercial stainless steel washing machines

Use Instructions

- Use as directed by your Diversey representative
- This product can be used in all commercial stainless steel washing machines
- Clax Hypo Conc is designed for use on white or colorfast fabrics only. If used on colored fabrics, check for colorfastness prior to use.
- This product is designed to be dispensed directly to the laundry machine by a Diversey dispenser and should not be diluted manually
- Clax Hypo Conc is dispensed at various rates depending on soil load, fabric, water conditions and equipment

Commercial Machines: Dispense automatically with Diversey dispenser

Warning: Do not mix with incompatible chemicals, such as acids or ammonia

Food Plant Use: Thoroughly rinse all laundered fabrics used in food plants with potable water before re-use. Avoid contamination of food during use or storage.

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up-to-date shipping information.
