

Advance^{TM/MC} Clean

Rinse Aid

A surfactant-based liquid rinse additive for mechanical warewashing.

Features & Benefits

- Quick drying formula gives streak and spot free results
- Low foaming action aids in the prevention of spotting

Applications

- A surfactant-based liquid rinse additive for mechanical warewashing

Use instructions

Advance^{TM/MC} Clean Rinse Aid is a surfactant-based liquid rinse additive for mechanical warewashing.

- Use Advance^{TM/MC} Clean Rinse Aid as directed by your Diversey Representative in high temperature or low temperature commercial dishmachines.
- Advance^{TM/MC} Clean Rinse Aid will be diluted automatically by the dishmachine dispenser at a rate of 0.3–5 mL/rack, depending on the water conditions.
- For this product to work properly, a minimum water temperature of 120°F (49°C) must be maintained in the dishmachine.
- Cover or remove all food products from the area prior to using this product.
- Do not allow this product or its solutions to splash onto other surfaces.
- Dilute this product only with water.

Use Directions

- Product will be automatically dispensed by the dishmachine dispenser during the machine cycle.
- To wash dishes, preflush and/or scrape dishes before washing.
- Rack dishes properly and place racked dishes inside dishmachine.
- Wash, rinse and sanitize dishes as directed by your Diversey representative.
- Remove rack from dishmachine and allow dishes to air dry.

For Food Plant Use: Avoid contamination of food during use or storage. Cookware or utensils and other equipment and surfaces subject to direct contact with food must be thoroughly rinsed with potable water prior to re-use.

Advance ^{TM/MC} Clean	1 x 5 gal. / 18.9 L Pail	Auto Dosed	3318292 

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate.
