I. Product Description

CRC Hand Cleaner Towels are textured heavy-duty towels saturated with a powerful, yet gentle citrus-based cleaner for cleaning hands away from a sink and water. The absorbent non-scratching abrasive towels quickly dissolve dirt, grease and grime and lock it into the towel and not on your hands.

II. Features & Benefits

- Pre-moistened heavy duty towel with pumice scrubbing power
- Clean your hands away from a sink and water
- Works fast to loosen, dissolve and absorb dirt and grease easily
- Fortified with emollients to protect skin
- Pleasant fragrance
- NSF Registered E4 for use in meat and poultry plants

III. Directions for Use

1. Open and unfold towel to full size.
2. Use abrasive side to scrub and instantly clean soiled hands.
3. No need to rinse or dry hands.
4. Discard used towel properly.

VI. *Special Precautions*

General:

Avoid breathing dust, fume, gas, mist, vapours, spray. Dispose of empty containers safely. All unused product should be disposed of in conformance with local and HSNO regulations, do not contaminate water supply.

First Aid:

Swallowed – Immediately give a glass of water. First aid is not generally required. If in doubt, contact a Poisons Information Centre or a doctor.

Skin – Immediately remove all contaminated clothing, including footwear. Flush skin and hair with running water (and soap if available). Seek medical attention in event of irritation.

Eyes – Wash out immediately with fresh running water. Ensure complete irrigation of the eye by keeping eyelids apart and away from eye and moving the eyelids by occasionally lifting the upper and lower lids. Seek medical attention without delay; if pain persists or recurs seek medical attention.

Inhalation – If fumes, aerosols or combustion products are inhaled remove from contaminated area.

Other measures are usually unnecessary.

Refer to Material Safety Data Sheet for more details.
