K7.1

Pre-soak Powder with Enzymes

Encapsulated, powder silver-safe presoak that is suitable for both loosening caked-on food soils and for restoring tarnished silver.

Features & Benefits

- Single product serves dual duty to remove stubborn soils and detarnish silver
- Contains a blend of detergents and enzymes to safely loosen soil without attacking metal or dishware
- Enclosed system delivers safety and controlled dose economy, while keeping everything tidy
- Compact and convenient, ease of use ensures pre-soaking procedures are followed

Applications

- Use for presoaking of flatware and utensils, cups, plates, and other dishware, prior to washing in a dishwasher

Suma[®] Armada[®]

Pre-soak Powder with Enzymes

Use instructions

- Use only in a Diversey dispenser system as directed by your representative.
- Use this product for presoaking of flatware and utensils, cups, plates and other dishware, prior to washing in a dishmachine.
- This product will be diluted automatically at a rate of 0.5–3.0 oz./gal (3.8–22.5 g/L) from the dispenser. Dilute this product only with water.
- If silver plated flatware is being detarnished, line the bus pan or pail with aluminum foil.
- Dispense solution of product and warm — 100 to 120° F (38 to 49° C) — water into a bus pan or bucket.
- Place flatware, utensils, or other ware in presoak solution for 15–30 minutes.
- Remove items from presoak solution, place in racks for dishmachine, and rinse thoroughly with overhead sprayer. Do not pour presoaking solution into dishmachine as it will cause foaming.
- Process items through dishmachine. If washing silver plated flatware, use a detergent without chlorine and a non-chlorinated sanitizer.
- Replace the aluminum foil at least every 2 hours or as is needed for detarnishing.

Storage: Do not store in food processing or food storage areas.

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate.
