

2021
CABERNET SAUVIGNON
Spring Mountain

WINEMAKER- *Kristy Melton*

WINEMAKER'S NOTES

Spring Mountain is known to produce complex and elegant wines shaped by the region's cool climate and varied elevation. The 2021 vintage is no exception where aromas of blackberry, dark cherry and cocoa powder are entwined with scents of cedar, graphite and cigar box. The palate has notes of black cherry, plum, boysenberry and leather with a touch of oak influence leading to a long and nuanced finish.

GROWING SEASON NOTES

Vintage 2021 is a story of small but mighty. Drought conditions were prevalent in winter and spring. Temperatures were moderate during spring but began to warm significantly during summer. Flowering led to lighter than usual fruit set with low vine vigor. Warm conditions during ripening led to beautiful fruit flavors and intense color. Harvest started in mid-August with Sauvignon Blanc and carried on at a steady pace through September and October with red varieties. While low in volume, the wines are aromatic, lively and well structured and we can't wait to share them with you.

WINE STATISTICS

COMPOSITION	100% Cabernet Sauvignon
HARVEST DATES	October 11 th , 2021
BARREL AGING	25 months in French oak, 70% new
ALCOHOL	14.8%
