

HERCULES FOR BODY™ JOBSITE BODY WIPES

DESCRIPTION

Pre-moistened towels made of high strength non-woven cloth material. Hercules for Body jobsite body wipes are hard on grime and odor, not on skin. Hercules for Body requires no water, no rinsing, dries immediately and leaves no residue. Hercules for Body jobsite wipes are made of tough, 8x10 inch large cloths that clean without tearing. Nonabrasive material does not irritate hands, while incorporating aloe vera and Vitamin E to leave skin soft and smooth. Hercules for Body contains no harsh solvents.

APPROVALS AND LISTINGS

Hercules for Body wipes have been dermatologically tested to be safe on skin.

APPLICATION / USES

Hercules for Body towels are excellent in environments where users repeatedly remove sweat, dirt, grease and grime from their skin throughout the course of the workday. Nonabrasive formulation is non irritating, fragrance free. They can also be used to clean most surfaces and equipment.

Hercules for Body towels are especially effective in the plumbing and construction industries for the removal of various oil-based pipe joint compounds, cutting oils and putty residue from hands. They can also remove the same from most surfaces and equipment.

*For special applications which may not be covered on this or other Oatey literature, please contact Oatey Technical Services Department by phone 1-800-321-9532 or visit our technical database web-site at www.Oatey.com.

PROPERTIES

Hercules for Body towels should be stored above freezing. If frozen, product becomes usable upon restoration to room temperature.

DIRECTIONS

Clean hands, face or body using Hercules for Body towels rubbing where necessary for stubborn stains. Use of water is not required. Where towels are not used frequently, reclosure of container will prolong life of remaining towels.
