

CarePod™ Retaining Bars

Secure Tall, Oversized, or Odd-Sized Items

Prevent items stored on CarePod shelves from shifting or tipping forward. Crafted of durable, powder-coated steel, our retaining bars are designed specifically for CarePods. The various sizes can accommodate caregiving essentials (gloves, masks, gowns, IV bags), documentation (paper charts, ring binders, clipboards), electronic devices (phone, tablet, laptop), and more. Simply insert the rear hooks into the preinstalled vertical rail system to lock the bar into place.

Features:

- Prevents items from shifting or tipping forward
- Crafted of durable powder-coated steel
- Inserts easily and securely into the CarePod interior rail system
- Available in various sizes

Various Sizes | Quick, Easy Installation

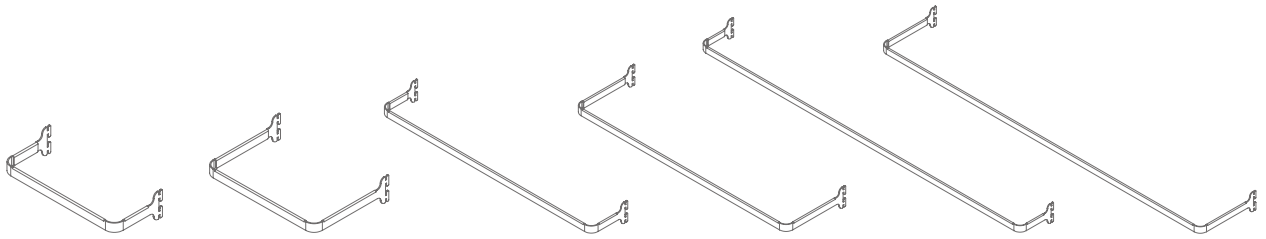

CarePod Retaining Bars keep tall, oversized, and odd-size items on their designated shelves. Crafted of durable powder-coated steel and designed specifically for the CarePod, our retaining bars can secure essential supplies like glove boxes, PPE masks and gowns, IV bags, paper charts, and electronic devices.

Installation is easy. Simply insert the retaining bar's rear hooks into the vertical slots on the preinstalled CarePod rail system, locking the bar into place.
