-USB- RECHARGEABLE

WORK LIGHT

FLASHLIGHT / POWER BANK

1000
LUMENS**To Charge the Light:**

1. Lift the cover on the base of the light to expose the Micro-USB and USB charging ports.
2. Plug the Micro-USB cable firmly into the slot
3. Insert other end into USB ready power source for charging

Light doubles as a power bank, simply plug your phone/smart device charger (not included) into the USB port to charge device.

NOTE: Recharge the light every 3-6 months if not in use for long periods of time. Turn off the light during charging. The charge indicator will turn solid red when light is fully charged. Failure to keep battery charged will cause reduction in performance.

DISPOSAL AND RECYCLING OF LITHIUM-ION BATTERIES

This light contains lithium ion batteries in a sealed compartment. Please dispose of properly.

Follow all state and federal laws applicable to the disposal or recycling of lithium-ion batteries. For more info contact government, recycling, waste management or retailers in your area. Information online can be found at: www.batteryrecycling.com
