

CLAX[®] Perfect

71A1

Starch for easy ironing

Liquid starch and sizing for use in commercial laundries.

Features & Benefits

- Provides stiffness and body to synthetic fabrics
- Leaves polyester-cotton fabrics firm but flexible
- Gives a uniform, clean finish without highlights or streaks
- Has soil release properties

Applications

- Use for starching cotton, polyester and blended fabrics

Use instructions

- Use this product as directed by your Diversey representative
- This product can be used in all commercial stainless steel washing machines
- Do not use in homestyle washers
- This product is designed to be dispensed directly to the laundry machine by a Diversey dispenser and should not be diluted manually
- This product is dispensed at various rates depending on level of stiffness desired

Safe handling

Please make sure your employees read and understand the product label and Safety Data Sheet before using this product. The label contains directions for use; and both the label and SDS contain hazard warnings, precautionary statements and first aid procedures. SDS are available online at www.diversey.com or by calling 888.352.2249. Improper use or dilution may result in damage to surfaces and may result in health and physical hazards that match those of the concentrate. Please refer to the Diversey HazMat Library, only available through Internet Explorer, <http://naextranet.diversey.com/dot/>, for up-to-date shipping information.
