

## 2022 Old Vine Hyland Vineyard Riesling

### VINEYARD

Located in the McMinnville sub-AVA, Hyland Vineyard is one of Oregon's largest and oldest vineyards. The remote site sits in the eastern foothills of Coast Range, benefiting from cooler temperatures in the summer and warmer temperatures in the winter. The vineyard's established plantings thrive in the soil, microclimate, and high elevation unique to this site, which consistently produces fruit with structured tannins and bright acidity. Founding Winemaker Lynn Penner-Ash has been sourcing Pinot Noir and Riesling from the vineyard since 2008.

### 2022 VINTAGE

The 2022 growing season started off with an unexpected frost, followed by warmer than average summer temperatures. As September passed with sunny skies and warm days, we were fortunate to capture ripeness and flavor intensity of the grapes as harvest approached. The vines had plenty of water and a beautiful canopy providing us with a bountiful harvest.

### TASTING NOTES

Aromas of honeysuckle, petrol, and pear with a touch of lemon zest. Bright acidity on the palate is followed by layers of stone fruit and summer melon, leaving a creamy and fresh finish.
