

## DYNAREST ELITE 4000 FOAM MATTRESS

with Visco Heel Slope & Perimeter

10430 – 36" x 80"

The DynaRest Elite 4000 Foam Mattress is a comfortable, variable density, multi-layer foam mattress designed to reduce shear friction, facilitate air flow, and prevent pressure wounds. The memory foam heel slope cradles the feet for maximum user comfort. Ideal for use in a wide range of healthcare facilities.

- Constructed from three layers of variable density foam
- Meets 16 CFR Part 1632 and Part 1633 Standards for Flammability
- Weight Capacity: 350 lb.
- 15-year Limited Foam Warranty, 1-year Cover Warranty
- 1 per case

**HEEL SLOPE:** Redistributes pressure from the vulnerable heels to the calf muscles
