

REORDER NUMBER: 10708

PATIENT LIFT SCALE

1000 LB. WEIGHT CAPACITY

The Dynarex Bari+Max Patient Lift Scale is engineered to allow caregivers to monitor the weight of patients during standard transfers. The Scale eliminates the necessity to transfer patients to a floor scale.

- Allows patient's weight to be monitored during transfers
- Battery operated
- Limited Lifetime Warranty

ALSO AVAILABLE

- 10707 Bariatric HD Patient Lift
- 10701 Bariatric Patient Lift
