

TEMPORARY POWER CORDS & ADAPTERS

When your project calls for temporary, portable power, Southwire has you covered. Our heavy-duty power cables come in multiple plug and connector configurations and varying lengths to deliver the power you need safely and consistently on your jobsite. Southwire temporary power cables are used with confidence every day for construction, renovation, restoration, disaster recovery and maintenance projects across North America.

PERFORMANCE

- Custom-blended jacket material for superior flexibility and chemical & abrasion resistance
- Extra Hard Usage cord rating per the National Electrical Code
- Premium plugs and connectors for confident jobsite connections

POWER

- Rugged 30 Amp & 50 Amp rated temporary power cords and adapters
- Attachable devices provide exceptional connection strength and allow field repairs if cords are damaged

SAFETY

- Safe plug-and-play design to power any X-TREME BOX™ product
- Locking receptacles securely and safely connect source to load
